BowFun Inter Secondary Schools Archery Competition Term 2 & 3 2009 Information

AimTru Archery has an indoor archery range at *** 34 Mowbray Street *** where we are organising the ***BowFun Inter-Secondary Schools Archery Competition.***

The BowFun Inter-Secondary Schools Competition rounds will be during the **13 weeks** of Winter Sports Term 2 & 3. Teams and Individuals in each grade (Junior / Senior) will be permitted to enter and compete for the grade awards or trophies at either Novice or Experienced levels.

The competitions start the fourth week of Term 2, Wednesday 20th May, running for 7 wks, concludes 1st July. Term 3 resuming 22nd July, running 6 wks, concludes 26th August.

Prize giving is at the Secondary School Sport Canterbury Winter Sports Awards in September.

Staff will instruct students on the use of the equipment in a safe environment. The competition rounds will consist of shooting five arrows, for ten ends per team member. This inter-school competition will also develop students understanding of the indoor archery competition standards.

Due to the numbers of teams, this year we will be running three time slots on Wednesday & two on Friday. Your school will need to register their **preferred time**, and **will be advised** what times they are allocated to shoot. (preference choice will not always be allocated dependant on numbers registered). The competitions will run on Wednesday from 3 - 4pm; 4pm - 5pm; and 5pm - 6pm, on Friday 4 - 5pm and 5pm -6pm.

We will supply all equipment needed i.e. bows, arrows, targets, score sheets. **Your team needs to provide one senior person willing to act as supervisor/scorer** (i.e. parent/teacher or senior non-competing student). Schools are asked to enter Individuals, +/-or Teams of four, in Junior (Yr 9 & 10) &/or Senior grades (Yr 11, 12 & 13). Also indicating Novice or Experienced shooters.

We are willing to accept students from schools and set up mixed teams where insufficient numbers enrol.

All students entered in the Team events will automatically be entered in the Individual Competition for their grade.

(Students with their own equipment are welcome to enter the competitions but will be placed in grades relevant to their equipment.)

Registration and Term fees for the 13 weeks of the championship are \$130 per student. (** Students with their own Bows & Arrows at a discounted rate of \$104). Fees are to be paid by 20th May 2009, the first day of competitions (cheques to AimTru Archery) through the school rep i.e. supervising teacher/parent/ or senior student.

If you would like to register a team for the Bow Fun Inter-Secondary Schools Championship for Winter Sport Term 2 & 3 2009, please fill in the forms included.

We have a risk management statement, which is available from our office on request. The safety features / procedures we have in place include:

- a percentage of our staff hold first aid certificates
- a first aid kit is on hand
- all equipment is regularly checked and serviced
- we have clearly displayed 'rules' for use of equipment
- there are safety procedures in place for the use of the facility
- safety instructions are given at the start and reinforced throughout sessions.

If you have further queries please contact:

AimTru Archery

Ongoing training and support for archers can be maintained through AimTru's Social or Competition Leagues and Saturday Sport, or by joining the AimTru Archers Club, or the Canterbury Archery Club, or the Canterbury Archers .
