

WEDNESDAY SPORTS CANCELLATION PROCEDURE

Note 1: If all of the above procedures have been followed, and the weather subsequently unexpectedly and dramatically deteriorates, a "late" cancellation notice may be issued by the Regional Sports Director's Office to schools via the APP no later than 1.00pm.

Other Notes: This cancellation procedure is binding upon all schools. Schools and individual teams are NOT permitted to make cancellation decisions on an independent school basis, or on an individual team basis. In cases of student safety only, team coaches may make the decision to "not play", but these would be in extreme circumstances.

Information will be updated and posted on our APP & website as soon as a decision has been made on a sport by sport basis.

Please Do NOT ring us!!!
