

Match Rules 7 Aside

Playing Indoor Netball

• THE TEAM

Each team consists of seven (7) players. Teams may have a maximum of ten players and a minimum of five players.

• MIXED TEAMS

Each team consists of a maximum of three (3) males on court at any time. A male player must take up a position in each third. i.e. If you have three males:

- One male plays = Goal Shooter (GS) or Goal Attack (GA)
- One male plays = Centre (C), Wing Attack (WA) or Wing Defence (WD)
- And one male plays = Goal Keeper (GK) or Goal Defence (GD)

• THE GAME

The game is played in two halves or four quarters with a break at halftime.

• OFFICIALS

The Stadium shall provide the referee who shall control the game, operate the scoreboard and act as a timekeeper. The referee's interpretation of the rules shall be final and teams have no choice in referees.

• UNIFORMS

All team members must have matching shirts after the fifth competition game - **Penalty: two goals per shirt.** Whilst styles may vary, colours must be the same. Striped tops must also be matching i.e. a blue top does not match with a blue and white striped top. No hats are to be worn and correct sport shoes must be worn at all times.

• GAME FEES

It is the captain's responsibility to ensure that complete game fees are paid before the game, otherwise the game cannot commence. The correct procedure is for the captain (or representative) to pay the game fee, place a tick on the team sheet next to the players participating in the game.

• COMPETITION POINTS

The position of each team in the competition shall be determined by the accumulated points awarded, based on the results of the games. The competition points shall be awarded as follows:

4	competition points for a win
2	competition points for a draw
1	competition point for a loss

1 bonus point is awarded for every quarter that is won

In the event of a team entering late into the competition they shall be awarded average points for those games missed and those games will then be denoted as byes on the appropriate divisional ladder.

• TEAM LATE ON COURT

If a team does not have at least five (5) players on court, a penalty of one goal for every minute late shall apply. Late arriving players may not enter the court while the game is in progress but only after notifying the umpire may take the court - after a goal has been scored - in this case, they must play in the position left vacant by the team - at half / quarter time - after a stoppage for injury or illness. If eight minutes have elapsed the game is then defaulted. It is for this reason that we recommend teams to arrive, fill out their folder and be ready to play at least ten minutes prior to the scheduled game time.

• DEFAULTS

Teams failing to play a fixtured game may at the Stadium's discretion be REMOVED FROM COMPETITION.

• FINALS

At the end of the competition there will be a finals series. To qualify for the finals each player must have played at least one-third of the minor round games. Any drawn Finals, the higher qualifier will go through to the next round. Any drawn Grand Finals will play 2 minutes each way in full.

• BEHAVIOUR

For the enjoyment of all, games are expected to be played in a sportsmanlike manner. The Stadium reserves the right to dismiss any team or member thereof for threatening, offensive or abusive behaviour. The team shall be held responsible for the action of its members and spectators both on and off the court.

• PENALTIES

There are three (3) types of penalties that can be awarded when any of the rules of Indoor Netball are broken.

- Free Pass
- Penalty Pass or Shot
- Toss-Up

(A) The penalty must be taken from where the infringement occurred except where this places the non-offending team at a disadvantage. In this situation the penalty will be taken where the non-offending player was standing at a place on the court indicated by the umpire.

(B) Any member of the non-offending team may take the penalty if allowed in the area where the penalty is awarded.

(C) The player taking the penalty must throw the ball within three (3) seconds after taking position at the correct place and being in possession of the ball.

(D) When taking either a free pass, penalty pass or penalty shot the footwork rule applies as though the foot placed at the point indicated were equivalent to the landing foot in a one-foot landing.

(E) A free pass will be awarded to the opposing team if a player is penalised for any infringement when in the process of taking a free pass, penalty pass or shot.

• FREE PASS

(A) A free pass is awarded for infringements of these rules with the exception of the rules of - obstruction, contact: personal and with the ball, net abuse, simultaneous offences by two (2) opposing players.

(B) A free pass is awarded to the non-offending team and any member of the team may take the free pass if allowed in the area in which it was awarded.

(C) You may NOT shoot for goal from a free pass.

• PENALTY PASS OR SHOT

(A) A penalty pass or shot is awarded for the breaking of the rules of obstruction, contact: personal and with the ball and net abuse.

(B) A player penalised under these offences must stand beside and away from the player taking the penalty and must make no attempt to take part in the game until the ball has left the throwers hands. If the infringer moves before the ball had left the throwers hands the penalty shall be retaken unless the pass or shot is successful and the advantage rule shall apply.

(C) The penalty must be taken where the infringement occurred except where this places the non-offending team at a disadvantage. The penalty will be then taken where the non-offending player was standing.

(D) Any player from the non-offending team may take the penalty. If allowed in the area where the penalty was awarded

(E) Any player can defend a pass or shot with the exception of the penalised player.

(F) If an opponent contacts or obstructs the thrower during the taking of a penalty pass or shot, a second penalty will be awarded where the second infringer was standing unless this would place the non-offending team at a disadvantage. In this instance, both the original and second offenders must stand beside and away from the player taking the penalty.

(G) When two (2) or more members of a team simultaneously obstruct or contact a member of the opposing team, each offending player must stand beside and away from the player taking the penalty.

(H) The pass or shot is only for penalties inside the goal circle, other wise it is a penalty pass.
