

# SCHOOL SPORT CANTERBURY

## Volleyball Competitions –Term One 2019

### Competition Dates

All grades commence on Monday 11 February, conclude Monday 18 March

South Island (Mainland) Senior Championships 1,2,3 March

Canterbury Senior Champs 15, 16, 17 March

**Beach Volleyball** a term 1 competition will be offered by Canterbury Volleyball, played at Pioneer on Wednesday afternoons. Further information regarding this competition will be forwarded to schools early February

### The following are the arrangements for Term 1 Monday competitions

#### 1. Premier:

Teams will play one match each week. Games are the best of five sets with no time limit.

First named team to provide a referee however we encourage teams to “share” sets with this role.

#### Boys and Girls

These will consist of up to Three Divisions; (Premier Div.1, Premier Div. 2, & Premier Div. 3

Premier grades for Term 1 will be determined by a qualifying process if required. Teams involved in qualifying will be notified directly and are seeded on the results from the term four competition 2018.

B teams will be placed in Premier Div. 2 or 3 depending on the number of “A” teams entered.

#### 2. Junior Grade: (Students who are enrolled in Year 9 or Year 10 only) Entry is unrestricted.

Competition will commence on Monday 11 February then each Monday concluding on March 18.

Individual Year 9 students may play in Junior teams, but teams made up entirely of Year 9 players must be entered in the Year 9 competition. A player may not play in both the Year 9 and Junior competitions. An indication of the "strength" of the team is required at entry.

All games are 60 minutes duration.

All games are best of three sets and the result is 2 – 0 even if a third set is played. (Not 3-0 or 2-1 if a team has already won 2-0)

Teams are encouraged to play a third set if time allows. If the score is 1-1 then the deciding set is to 15, unless if time allows and by mutual agreement of both teams before the start of the set, it may be played to 25. A deciding set counts if one team is 8 or more and ahead by 2 or more points. If the game is to 25 then one team must be on 13 or more points and ahead by 2 for that set to count. A rally in progress when the hooter goes is to be counted.

#### 3. Year 9 Grade: All members of the team must be enrolled in Year 9 in 2019. Playing dates and game conditions are the same as for Junior grades..

An indication of the "strength" of the team is required at entry

**Senior Grade:** (Students must be under the age of 19 years as at 1 January 2019)

**Senior Division 1** is for "experienced and better ability" teams, e.g., the A teams from a non premier grade schools or the B or C team from schools acknowledged to be stronger in the sport". Play best of three sets.

**Senior Division 2** is for "less experienced and/or less competitive teams". Play best of three sets. Teams or individual players which play in this competition may not also play in the Premier grade competitions.

Game conditions are the same as for Y9 and Junior grades

5. Games in all competitions will be played in school gymnasias or Pioneer and Graham Condon Stadia
6. Schools are asked to consider making their gyms available on all competition nights. This will include:
  - specifying a "floor controller" who will assume responsibility for the management of games (games commence at 4.00 pm and conclude at approximately 8pm)

This office will pay a small fee (\$6 per game), to cover gym hire and floor controller responsibility. It is not necessary that a gym is available every Monday night.

7. **Entry Fees:** Fees are charged to cover the actual costs of the competition. These include: venue hire, payment of floor controllers at Pioneer, administration costs. The entry fee includes a coaching component available to your school through Canterbury Volleyball.

No charge is made for office time by the RSD office.

**Fees are: All Grades: \$50.00 per team**

8. Entry is open to all partner schools of this office. All entries must be submitted via EnterNow available on the SSC website. Term 1 entries will close at 1pm on Tuesday 5 February.
9. No payment is required with entry this will be charged to your school account. No refund will be made to teams which enter then subsequently withdraw from the competition for any reason.
10. **Defaults.** When games are defaulted, venues have been hired and floor controllers employed needlessly. Schools which default will bear these costs. It is a condition of entry that schools agree to a default fee of \$20.00 (inc.GST) per game on each occasion a team is defaulted. This fee will be added to the school account. Teams which default, in addition to notifying opponents and any venues if applicable, are required to advise the Sports Director's Office that the team defaulting is capable of continuing in the competition in subsequent weeks. A simple explanation on the weekly results sheet sent in by schools will suffice (e.g., team members ill).
11. **Results** Schools are responsible for entering the result of each game played directly into Sports Runner which is accessed from the School Sport Canterbury website homepage. It is expected that all schools will attend to this each week so that even if the 'other' school has entered the result, this can be checked for accuracy by the 'other' school. Results should be entered by 1pm on the Tuesday following each game.
12. **Draws** The weekly draw will be available on the SSC website (Sportsrunner) Usually by 1pm each Wednesday. A copy of the draw will also be forwarded via email to each school.

**Draws & Results are posted on our website:** [www.canterbury.schoolsport.org.nz](http://www.canterbury.schoolsport.org.nz)  
Via the Draws & Results tab on the homepage

# **RULES OF THE COMPETITION**

## **1. Defaults**

A fee of \$20.00 per defaulting team will be imposed for all defaults regardless of reason. This includes failing to provide a referee as required, which results in an automatic default. This will be charged to the school account. If both teams mutually agree to default they pay half each. If both teams mutually agree to defer a game or play it at another time or venue, then this will not be regarded as a default provided the Sports Director's Office (not the Floor Controller) is advised in advance. It is a condition of entry that schools agree to this fee.

Six players are required to be present at the scheduled start of a match or it is forfeited

## **2. Game Conditions**

All scoring is point rally. Sets are scored up to 25 except the deciding set which is up to 15. If play is governed by time, then a minimum of thirteen points (with a two point advantage) is required for a win in a set to be recorded, i.e. 13/11 is a winning score when time runs out, 13/12, 12/7 or 12/1 are not.

If it is the deciding set, then one team must be 8 or more and ahead by 2 or more points for that set to count. A rally in progress when time runs out continues until the rally is completed.

There are no serving restrictions in Junior competitions

Warm ups - Year 9, Junior and Senior competitions. A maximum of three minutes ball skills and two minutes combined net time. All time taken for warm ups is included in the specified playing time, which commences immediately upon conclusion of the preceding game. For Premier grade matches a maximum of ten minutes warm up time is permitted.

Substitution – The “Twelve Substitution Rule” applies in all grades.

## **3. General Rules**

Correct school sports uniform must be worn by all players.

Numbers must be worn front and back for all grades. Teams should have matching tops and shorts.

Teams/players may warm up only on a specified court, and not in any areas bounding courts. Team coaches and managers are requested to be vigilant in ensuring that this rule is complied with in the interests of ensuring games in progress are not interfered with. Floor Controllers have the authority to deal firmly with persistent infringements.

Spectators are not permitted to use spare courts at any time.

## **4. Cancellations** Volleyball will not be cancelled unless venues are closed (eg. Earthquake)

## **5. Health & Safety**

Schools are responsible for the health and safety of their students in transit to and from and at the venue.

Game officials are responsible for the safety of students during play.

Please refer to the SSC Risk Management plan for indoor sports, available on the documents page of the SSC Website.
