RULES OF THE COMPETITION

1. **Defaults**

A fee of \$20.00 per defaulting team will be imposed in all grades for all defaults regardless of reason. This includes failing to provide a referee as required, which results in an automatic default. This will be charged to the school account. If both teams mutually agree to default they pay half each. If both teams mutually agree to defer a game or play it at another time or venue, then this will not be regarded as a default provided the Sports Director's Office (not the Floor Controller) is advised in advance. It is a condition of entry that schools agree to this fee.

Six players are required to be present at the start of a match or it is forfeited.

2. **Game Conditions**

All scoring is point rally. Sets are scored up to 25 except the deciding set which is up to 15. If play is governed by time, then a minimum of thirteen points (with a two point advantage) is required for a win in a set to be recorded, i.e. 13/11 is a winning score when time runs out, 13/12, 12/7 or 12/1 are not.

If it is the deciding set, then one team must be 8 or more and ahead by 2 or more points for that set to count. A rally in progress when time runs out continues until the rally is completed.
