Facebook pages following entry closure.
- ENTRIES:** All entries will be taken on line and must be completed by 10am Friday 21st Feb.

Entries for the following local Athletic championship events are now open via edp.
The link is: <https://entries.co.nz/o/cantsstf2020/>
You will need your **edp password** to access this. All schools have these and hopefully know where to access them.

Please note that the online system will only allow a max. of 3 events per student Any additional entries will need to be made directly to the Sports Director by email. A template form will be made available for these additional entries. Please consider the welfare of the students in entering additional events.

Last year a large number of entered competitors did not turn up on the day. This made running the track events extremely difficult. Please be mindful of this when entering your students into events.

FOR CANTERBURY SECONDARY SCHOOLS CHAMPIONSHIPS

Following the event, each school will be responsible for entering students into the Canterbury Secondary Schools championships.

To do this, schools will need to go back to the on-line entry package and **delete all students who will not be entered** into the Canterbury event, leaving only those who you do want to enter.

Changes to events will be possible. Please check the entry restrictions for the Canterbury event.

PARTICIPATING SCHOOL REQUIREMENTS

This event can only take place with the support of all schools. Each participating school will be assigned a responsibility for this event.

OFFICIALS: It is an entry requirement for every school that enters this event to supply the officials whether they are teachers, parents or senior students at their event. Each school is responsible for providing **senior pupils or parents** to assist them in the running of their field event(s).
