A minimum of four teams is required to make this competition viable.

REFEREEING

The standard of refereeing has been identified as the single most important factor in raising the quality of secondary school basketball. The following arrangements apply:

Girls Intermediate Div. 1

If available, referees will be appointed to these games. It may be necessary for teams to each provide one suitably qualified referee if appointed referees are not available on any given week.
Each team must provide two bench officials competent to run the stop clock, shot clock format.
Training is available from Canterbury Basketball Association.

Open, Intermediate, and Year 9 Boys & Girls

For games played in School Gymnasia the home school will provide **all officials**: both referees, (at least one of whom must have completed the CBA level 1 referee course), and the score bench.

For games played in neutral venues e.g. Cowles, Graham Condon, Celebration or non- premier games at Pioneer stadium, each team will be required to provide one referee and one person for bench duty for the game they are playing. Failure to supply officials in any venue will result in an automatic default, with the imposition of an automatic \$20 default fee.

At some venues there may occasionally be a referee available to control a game on behalf of a team that does not have a referee. The fee for 'buying' a referee is \$10 which must be paid in cash to the referee prior to the game. No payment, no referee and a default loss applied.

Referee training courses are available through Canterbury Basketball. marty@canterburybasketball.co.nz

Current school students who have completed an approved referee training course will be eligible for payment of \$6 per game that they referee for their school.

It will be the responsibility of each school to provide the Sports Director with a summary of payments due to school referees. This must be provided before the end of October

Wednesday Grades: Each team supplies a referee and a scorer. Don't forget a whistle each.

DRAWS & RESULTS

Draws are published weekly, usually by 1pm each Wednesday, and are available on the SSC Website homepage via the Draws & Results tab and the SSC App. A copy of the draw will also be sent to each participating school. All schools are responsible for entering the results directly on-line into Sports Runner before 1pm on the Monday following each Friday game and the Thursday following each Wednesday grade game. Heads of Sport have unique school passwords to access this facility. Passwords must be kept secure.

UNIFORM

All teams are to have numbered playing singlets with matching or complimentary playing shorts. Visible items of clothing worn underneath the singlets/shorts of any player must be of the same colour as the playing uniform item. Player numbers on singlets are required: 00 - 99 are allowed.

Complaints regarding the standard of uniform in any opposition team should be made in the first instance to the venue controller who will have the right to default offending teams.

MOUTHGUARDS BBNZ has mandated that all players involved in competition grades U20 and below **MUST** wear a mouthguard. This will apply to all SSC competition grades. Mouthguards can be purchased through Canterbury Basketball. Contact James Lissaman at james@canterburybasketball.co.nz
Any players not wearing a mouthguard will not be allowed onto the court. Players/teams should not be given the option of playing at their "own risk" Mouthguards must not be swapped between players.

HEALTH & SAFETY

Schools are responsible for the health and safety of their students in transit to and from and at the venue.

Game officials are responsible for the safety of students during play.

Covid-19 all Schools must adhere to the Alert Level requirements in place at each venue used. These may include; Specific hygiene requirements, Contact Tracing, Social Distancing and possibly gathering size.

For further details please refer to the SSC Covid-19 and Risk Management plans, available on the documents page of the SSC Website.

CONDITION OF ENTRY

The Canterbury Basketball Teachers' association has stipulated that as condition of entry all teams must, for all games, have an adult with them who will assume responsibility for the team both on and off the court.

All Coaches, Managers and Officials are expected to be familiar with and abide by the Code of Conduct as published on the SSC website (documents page) and in the annual Directory and Calendar of events.

Each venue will also display a set of written codes

Incidents if inappropriate conduct should be reported to the Regional sports director.

DEFAULTS

For Friday grades, a fee of \$20.00 per defaulting team will be imposed for all defaults regardless of the reason.

This fee will be included in the school account with School Sport Canterbury. If both teams mutually agree to default they pay half each. If both teams mutually agree to defer a game to another time or venue then this will not be regarded as a default provided the Sports Director's office (not the Floor Controller) is advised in advance. NB: Failure to supply a referee or score bench official when required, constitutes a default and the default fee will be applied automatically.

Schools unable to field a team on any given day must make every effort to contact their drawn opponents no later than 12 noon on the day of the scheduled game. Teams that 'fail to show' for any given game without prior notification to their opponents will be charged \$50 and liable to withdrawal from the competition.

RESTRICTIONS ON ENTRY

In line with School Sport Canterbury Policy for all sports, students are expected to play for only one team per week. Players in Whelan & Thompson Trophy or School CBA competition teams (Boys & Girls) are not permitted to play in Friday grade teams.

However in the interest of player development exceptions to this ruling above may be made for students who are **bench plyers only in a higher grade, to play (age eligible) in two of the three grades;** Year 9 Girls; Intermediate Div. 1 Girls, Whelan Trophy (Tuesdays)

Boys who play for their school in the Tuesday or Saturday CBA competition may not also play in Friday night competitions, except for year 9 Boys who may play in the Year 9 Friday competition and Saturday U17 competition.

In regard to both exceptions above it is expected that no players should be starting players in two grades.

Dispensations to the above may be granted in exceptional circumstances. Written application should be made to the Sports Director's Office who will refer the application to the Basketball Advisory Committee if necessary.

GYMNASIUM AVAILABILITY

Schools are asked to consider making their gyms available on some or all of Friday competition nights. This will include:

- specifying a “floor controller” who will assume responsibility for the management of games (games commence at 4.00pm and conclude at 9.00pm)
- Schools will be refunded \$6.00 per game played in their school gyms.
- Only schools that have completed a signed SSC Health and Safety attestation form (Check with SSC if unsure) will be eligible to host games in their gym.
- In 2020 Schools offering the use of their facilities will be required to have appropriate systems in place to meet the requirements of any Covid-19 Alert level in force.

It is not necessary that a gym is available every Friday night nor through until 9pm

Gym availability information should be included with on line entries.

TEAM AVAILABILITY

Schools are required to indicate with on-line entries any days that teams will not be available to play due to other school commitments e.g. Camps, trips etc. such teams will then be listed as N/a on the draw for that week and if possible given bye games in that round.
