Flow Chart for Swimming and Diving Championships 2021

This event is one of the first, and one of the largest in the school sporting year and requires close attention to detail if the students in your school are not to be disadvantaged. Please note that the time process below will be adhered to and the timing of your own school swimming sports will not be a factor. If you intend using your sports as a selection mechanism for this event, you are strongly advised to hold them at least two weeks prior to this event.

Note: 2021 championships: Schools are advised to be 'sensible' when entering competitors, especially into the Open events due to restricted pool access and other constraints.

Please provide genuine "best performance" times for seeding purposes and to ensure the 'best level of racing.'

Action	When	What	Who	Notes
Information One Published on our APP & Website	Tuesday 9 February	Preliminary Information Officials Required Form All information required to enter in the swimming and diving championships	RSD Office	Please read the information.

HOW THE ON -LINE ENTRY SYSTEM WORKS

When you use your access code and password you are able to login to the entry forms for your school. The home page will have any Messages we need you to be aware of. It is important that you read the messages and log in regularly during the entry period for updates. The toolbar in the **Home page** of this area has six parts.

A **Team Information** page where you must provide the Names of the Teacher in Charge at the school and the Team Managers Name for the competition.

We also need contact details including an email address and a phone number. These are indicated as required fields and the website will not allow you to make entries until they are filled. It would be helpful, if you were providing a cell-phone number, that it was the one the Team Manager would be carrying at the Championships.

The **Add Entries** form allows for up to five competitors details to be entered at a time. These must be saved and if there are more to enter you just go back into the Entry Form again and repeat the process. We strongly recommend that, on your first visit to Online Entries, you complete just one athlete's entry and save it, to follow the process outlined below.

The Entry Form has two fields where the competitors Family Name and Given Name must be typed. Capitals for first letters only please. There are click circles for their gender. All of the other information such as Birth Date, and Events is selected from dropdown menus. Click the down arrow to the right of each field to display all eligible events.

The events menus do not become active until you have completed age and gender details. The athlete is automatically placed in their grade by birth date and only events for which they are eligible are offered. We suggest you provide a seeding time or mark.

Times must be in the format specified (mm:ss.dd for times with colon and a decimal point.)

Examples: 1:10.18 and 26.10

You will only need to use the **Relay** event in the dropdown menu for an athlete who has no other individual events. We need their information in order that they are placed in the correct grade and assigned a competitor number. There are "Save" boxes to click when you wish to save the information you have entered to that point.

Entries Browser. When you save your entries you are transferred to the Entries Browser. If there are omissions or errors in the information you have put in, you will be presented with the information for each incomplete competitor. You must scroll through all your entries for the current session to check for the Red Markers, which indicate that the information in that field is incomplete. In the Entries Browser you can **Edit** or **Delete** information about your competitors. You can log off at this stage and provided you have successfully completed one entry cycle without errors or corrected any errors and saved the corrections, all the information is saved to our database. By using the **Print** command on the web page a printout with all the competitors' events and details and check boxes for your own record keeping is downloaded. This is different to the format you are viewing at the time and should be more useful than Print Page or Print screen from the web-browser. All the data saved can be accessed and added to or modified at any subsequent visit until you finally decide that all the information is correct and you no longer need to make alterations, or the deadline for making entries is passed.

RELAY ENTRIES. Entries for the relays will be accepted in this area. You tick the boxes. We do not require declarations of team membership or running order until some time on Tuesday, to be announced. The forms for declarations of relay teams will be provided in Team Managers Packs.

Entry fees will be charged to school accounts. Therefore the payments page is not active.

ENTRY RESTRICTIONS

Restrictions on competitors:

All competitors must be enrolled at a year level in advance of year 8.
Year 7 & 8 pupils are not eligible to participate.

Individual events: Students may enter **one swimming event only in their age group**; that is, if a student enters the Under 15 50m boys backstroke, he may **not** enter any other Under 15 events.
A student may also enter **one additional open grade event**. (For SWD restrictions, refer to the SWD section)

Relay events: A student may swim in **one** freestyle relay team in their age group. The open relays (medley and freestyle) are unrestricted entry; that is, a student may swim in the Under 15 boys freestyle relay and in both of the open medley and freestyle relay teams.

Swimmers **must** swim within their own age group; this means that an Under 15 swimmer **may not** swim “up” in the Under 16 grade. This applies to both Individual and relay events.

Restrictions on Schools:

Individual events: as of right a school may enter **one** swimmer in each event.

Schools may enter up to **three** additional entries in open grade events [a total of four swimmers], provided these competitors’ can potentially swim a time which will place in them in the finals.

Relay events: a school may only enter one relay team in each relay event.

PROVISIONAL ORDER OF EVENTS

Will be posted and confirmed once entries have closed

- | | |
|-------------------|--|
| 9.00 am – 11.00am | All events for Under 14 – Under 15 competitors & relays and SWD. |
| 11.00am – 1.00pm | All open grade events & relays |
| 1.00pm– 3.00pm | All Under16 and Under 18 events & relays |

All events will be run as timed finals, with heats seeding based on information provided with entry.

ENTRY INFORMATION

Entries must be made through the on-line entry package, which can be accessed from the School Sport Canterbury website under Sports then Swimming and also our APP. The on-line entry package will open on Monday 15 February, 9am and close on Friday 26 March at 12noon. Entries can be made at any time, and any changes during this period. Schools lose their automatic right to one entry per event after this time. There will be no late entries. Competitors are encouraged to supply to their school their "best performance" time for an event which will be used in seeding heats. Please take every care with entry information. The system will enter your students into the correct grade based on the information that you in-put. Take care with spelling of names, as they will subsequently appear on certificates.

Changes of Entries:

If entries have to be changed for any reason after entries close on Friday 26 March 12noon schools are required to use the "Change of Entry" form. Forms need to be emailed to the Sports Director's Office up until Monday 29 March 3.00pm, or hand it in to the Control Room no later than 8.30am on the day of the Championships.

Note that competitors may not change events after entries close on Friday 26 March 12noon. Once entered in an event, they may swim in only that event, and may not change to another event. If a competitor has to withdraw for any reason, a substitute swimmer may be named provided that substitute is not already entered in excess of one age group and one open event.

SWIMMERS WITH DISABILITIES (SWD)

These events will be held after the first morning session on Wednesday 31 March. Separate events will be held for Swimmers with Intellectual Physical Disabilities (SWCP, SWAM, SWID & SWVI)

Events:	50m Freestyle	Swum in main pool
	50m Backstroke	Swum in main pool
	25m Backstroke	Swum in main pool
	25m Breaststroke	Swum in main pool
	25m Freestyle	Swum in main pool
	4 x 25m Freestyle Relay	Swum in main pool

There is one Open age group:

SWD competitors must be aged at least 13 and Under 21 as at January 1 2021

AGE GROUPINGS 2021

These apply from Year 9 upwards as on 1 April of the year of the Championships.

Under 14 years	Birthday on or after 2 April 2007
Under 15 years	Birthday on or after 2 April 2006 & before 2 April 2007
Under 16 years	Birthday on or after 2 April 2005 & before 2 April 2006
Senior: 16 years and over	Birthday on or before 1 April 2005

The maximum age of competitors is Under 19 on January 1, 2021, birthday after January 1, 2002.

STUDENT AND SPECTATOR BEHAVIOUR

Within our School Sport Canterbury codes of behaviour.

With limited space and fire safety requirements [Health & Safety] there will be no room for any spectators to attend the championships in 2021.

MARSHALLING

Ensure that your swimmers (including **ALL** members of the relay team) report to the marshalling area as required. The events being marshalled are clearly indicated by large, visible-from-the-stands, signs at the marshalling area.

Marshalling of the first 5 scheduled events will commence at 8.45am.

Swimmers who have been named as reserves (finals) should report to the marshall and will be allocated a lane should another swimmer fail to report to the marshall as requested.

The absolute responsibility to report to the marshall rests with the swimmer. No attempt will be made to locate swimmers who do not report to the marshall. Protests will not be accepted in any situation in which a swimmer does not get to swim because (s) he has failed to marshall as required.

PROGRAMME INFORMATION

A copy of the championships programme will be posted on the School Sport Canterbury APP & website as soon as possible after Tuesday 30 March. A programme will be available at the pool on Thursday morning for each school. Schools are able to download their own extra copies prior via the website.

www.canterbury.schoolsport.org.nz

OFFICIALS DUTIES

If you have time-keeping responsibilities, report to the Chief Timekeeper at the northern end of the pool at 8.45am.

PLEASE PROVIDE YOUR OWN STOPWATCH.

Staff allocated to other duties should report to the Sports Directors no later than 8.45am.

Refreshments for officials: Refreshments will be available for officials and team managers will be available poolside throughout the day by the appointed duty school.

START RULES

The “one-start” rule will be applied to the all events.

PROTESTS

Any protest or complaint must be made by the team manager in writing to the Controller within 30 minutes of the occurrence and be accompanied by a protest fee of \$100.00. If the protest is upheld, the protest fee will be refunded. All protests shall be considered by the disputes committee and its decision shall be final.
