Event Information Package

NOTE TO ALL SCHOOLS

Dear Teacher i/c Athletics,

Please find enclosed a package of information regarding the 2021 Canterbury Secondary Schools Athletic Championships to be held at Nga Puna Wai on Tuesday March 16 (Pre-lims) and Saturday March 20 (Finals)

The On-line entry package will open at 9am on Monday 22 February. Entries can be made any time from then through until 10am on Thursday 11th March when on line entries will close.

For those of you who have not used the on-line entry package for athletic events before, the following information should help.

1. Log on to School Sport Canterbury website www.canterbury.schoolsport.org.nz
2. From the home page click on the **Athletic on-line entries link. OR**
3. Select Athletics from the list of available sports
3. Click on **On-Line Athletics entries** on the home page
- 5 Log on to the entry package using your **EDP Code and Password**. These are available in all schools. (Check with the Head of Sport)
6. Follow the prompts provided by this package to successfully enter your athletes.
7. If you have any questions please do not hesitate to ring me **(373 5059)**

Please ensure that the Officials Required form is completed and returned to us by the due date.

Please note that

1. All entry deadlines to be enforced.
2. Every school that enters athletes at these championships must provide the following officials:
 - Two officials on Tuesday, or
 - One Official on Tuesday and One official on Saturday (This could be the same person)
 - Schools entering Students in Para events (Tuesday only) must provide at least 1 official to assist with the running of Para Field events.
3. School officials are required to check in by 8.45am. Any event with insufficient officials to safely run the event, will not start. Athletes from schools which fail to provide a nominated official will be removed from the competition.

Additional comments based upon decisions made at the annual Athletic Teachers meeting 2010 - 2019

1. Events scheduled to be held on Tuesday, which have not previously been notified as straight finals by 1pm the preceding Monday, will be held regardless of the number of competitors that report to the marshal
2. In Open events; Walk, Hammer, Pole Vault & Steeplechase, the number of athletes allowed from any one school may exceed the maximum number of 3 which applies to all other events with approval of the RSD (Entry numbers dependent)
3. That the IAAF 1 break = disqualification rule will be applied
4. That all Field event competitors will get at least 1 performance measured (provided they are legal)
6. Pole Vault, Hammer and 300m Hurdle events will now recognise achievement at Under 16 and Over 16 grades.
7. From 2019 the Boys and Girls U14 and U15 3000m events will be run as finals on Tuesday (pre-lims day) This will enable athletes in these two grades to enter both the 1500m and 3000m. (this was previously not allowed)
8. 200m Semi finals will only be held if the number of competitors in heats exceeds 24 (3 heats)

IMPORTANT

The IAAF 1 break = disqualification will be applied to this meeting

Please note that if it known that an athlete is unable to compete on Finals Day for any reason other than injury sustained during or after the Preliminaries, then they are **not permitted to participate in the preliminaries.**

It is essential that athletes entered in sprint races up to 400m are familiar with the use and setting up of starting blocks before they arrive at the track on the Tuesday.

ENTRIES

- 1 Unless additional sponsorship is arranged for this event, an entry fee of \$7 per athlete will be charged to schools.
- 2 All entries must be completed on-line **before 10am on Thursday 11th March**

HOW THE ONLINE ENTRY FORMS WORK

When you use your access code and password you are able to login to the entry forms for your school. The home page will have any Messages we need you to be aware of. It is important that you read the messages and log in regularly during the entry period for updates. The toolbar in the **Home page** of this area has six parts.

A **Team Information** page where you must provide the Names of the Teacher in Charge at the school and the Team Managers Name for the competition.

We also need contact details including an email address and a phone number. These are indicated as required fields and the website will not allow you to make entries until they are filled. It would be helpful, if you were providing a cell-phone number, that it was the one the Team Manager would be carrying at the Championships.

The **Add Entries** form allows for up to five competitors details to be entered at a time. These must be saved and if there are more to enter you just go back into the Entry Form again and repeat the process. We strongly recommend that, on your first visit to Online Entries, you complete just one athlete's entry and save it, to follow the process outlined below.

The Entry Form has two fields where the competitors Family Name and Given Name must be typed. Capitals for first letters only please. There are click circles for their gender. All of the other information such as Birth Date, and Events is selected from dropdown menus. Click the down arrow to the right of each field to display all eligible events.

The events menus do not become active until you have completed age and gender details. The athlete is automatically placed in their grade by birth date and only events for which they are eligible are offered. We suggest you provide a seeding time or mark.

Times or marks must be in the format specified (mm:ss.dd for times with colon and a decimal point or mm.dd for distances). If you are entering more than one athlete in a particular event and grade they will be ranked according to their seed times or marks. The system will allow you to nominate up to three competitors per event.

You will only need to use the **Relay** event in the dropdown menu for an athlete who has no other individual events. We need their information in order that they are placed in the correct grade and assigned a competitor number.

There are "Save" boxes to click when you wish to save the information you have entered to that point.

Entries Browser. When you save your entries you are transferred to the Entries Browser. If there are omissions or errors in the information you have put in, you will be presented with the information for each incomplete competitor. You must scroll through all your entries for the current session to check for the Red Markers, which indicate that the information in that field is incomplete. In the Entries Browser you can **Edit** or **Delete** information about your competitors. You can log off at this stage and provided you have successfully completed one entry cycle without errors or corrected any errors and saved the corrections, all the information is saved to our database. By using the **Print** command on the web page a printout with all the competitors events and details and check boxes for your own record keeping is downloaded. This is different to the format you are viewing at the time and should be more useful than Print Page or Print screen from the web-browser. All the data saved can be accessed and added to or modified at any subsequent visit until you finally decide that all the information is correct and you no longer need to make alterations, or the deadline for making entries is passed.

RELAY ENTRIES. Entries for the track relays will be accepted in this area. You tick the boxes. We do not require declarations of team membership or running order until Saturday (time to be announced.) The forms for declarations of relay teams will be provided in Team Managers Packs.

Payment for these Championships is **not** required with the entry process. Entry fees will be charged to school accounts. Therefore the payments page is not active.

CONDITIONS OF COMPETITION AND GENERAL INFORMATION

- 1 For Preliminaries Day, we are almost totally dependent upon teachers to act as officials. On Finals Day, we are fortunate that the Canterbury Centre provides many officials. It is a condition of entry that, two teachers/adults are required to act in this capacity either on Preliminaries Day or on Finals Day. **These officials are additional to any Team Manager accompanying students. (refer to “Officials Nomination Form”).**
- 2 **Each school is entitled to one competitor per event.** A school may enter up to a maximum of three competitors in any event. Additional entries may be allowed in selected **Open events** at the discretion of the Sports Director.
- 3 **Competitors** may enter a **maximum of three events excluding relays**; if three events are entered, at least one of these must be a field event. Competitors may not enter out of their grade unless it is in an Open event or age grade relay. **Competitors may not run in more than one age-grade relay.**
- 4 **Competitors who find they are in a field and track event at the same time must realise that the track event takes precedence.** They should report to the field event official and excuse themselves to compete in the track event, returning to the field event as soon as possible after the track event. Competitors cannot demand to take all their trials in succession or to take any trial of the rounds in which they have failed to appear. However, the field event official may allow competitors to take their trials in an order different from that decided upon prior to the start of the competition. This will not be possible if a round of the competition has been completed, or if the competition has been completed.
- Schools are advised to carefully check both the preliminaries and finals day programmes so as to minimise potential clashes between field and track events when selecting events for competition.
- 5 Lane draws and order of competing in the field events will be as shown in the programme. Lanes for any subsequent rounds (200m SF on Tuesday and 100m F on Saturday)) will be drawn and posted as soon as available.
- 6 Track competitors must report to the designated marshalling area 10 minutes before the advertised start of each event. This will apply for both Preliminaries and Finals Days. Field event athletes report directly to the area of competition. The Responsibility for being at the Marshalling area on time is that of the individual athlete.
- 7 On preliminaries day, in any heat where the number of competitors who report to the marshal is the same or less than the number required to progress to the next round, then the next round (**Not finals**) will be held at that time rather than sending athletes away to report again later.
- 8 All competitors at the Preliminaries should wear school colours. This will be mandatory on Finals Day and failure to observe this will warrant disqualification.
- 9 Athletes who qualify in a heat or round of an event **must** compete in succeeding rounds of that event including finals unless the consent of the **Meeting Manager** has been obtained; otherwise they may be excluded from participating in further events at the meeting.
- 10 Warming up on the track is not permitted. Areas adjacent to the track will be available for warming up
- 11 The only drink permitted inside the arena is WATER. Sports drinks, soft drinks etc are banned.
- 12 Starting blocks are to be used in all events up to and including 400m. These will be provided.
- 13 The 800 metres will be run in lanes as far as the end of the first bend. The first round will be a split start, and if heats are run a maximum of 8 will contest the final. (See 2010 recommendations)
- 15 The change zone for 4 x 100m relays is 30m. Athletes may stand anywhere within this 30m and the baton must be exchanged within this 30m zone.
- 16 In the 4 x 400m relay one lap plus one curve is run in lanes. The change zone for all changes is 20m long and at the end of the first lap (change 1) the baton must be exchanged within the 20m zone in each team’s lane At

subsequent changes (changes 2 and 3) the change zone is 10 metres either of the start/finish line. The officials in the start/finish area will advise the correct starting points for each change zone.

17. Changing rooms may not be available. Competitors are advised to arrive at the venue in their athletic uniform, track suits etc. Care should be taken with personal property as well as clothing. No responsibility for losses will be accepted by School sport Canterbury or Athletics Canterbury
18. Spikes: The maximum length for the all-weather track and long/triple jump runways at Nga Puna Wai is 6mm, and for high jump and javelin the maximum length is 9mm. Only cone shaped spikes are permitted with “christmas tree” shaped spikes not allowed.
19. In all throwing events - especially the Javelin and Discus, competitors are warned to take due care. Implements must only be thrown from the sector line or circle and **RETURNED BY HAND, NOT BE THROWN BACK TO THE STARTING AREA.**
20. In the field events the use of flags is as follows:
A red flag - signals no throw or no jump.
A white flag - indicates a valid throw or jump.
21. Competitors in track events up to and including the 400 metres must line up in their lanes at the finish line until dismissed by the judges.
22. Only competitors currently involved in an event or under the instructions of marshals or officials will be permitted in the competition arena.
23. Only equipment provided will be used for throwing events.

IAAF Rule Changes

The rule change relating to breaking at the start (one break will result in disqualification) will be applied at these championships.

At field events (except for pole vault) 30 seconds only will be allowed from the time an athlete's name is called until a trial is commenced. For pole vault the time allowed to commence a trial is 1 minute.

ATHLETICS TROPHIES AND AWARDS

Senior Individual Trophies

- 1 There are two trophies for individual achievement, for the Outstanding Male and the Outstanding Female Athlete.
- 2 The Selection Panel for deciding the winners will be -
 - a) Two representative of Athletics Canterbury, nominated by the Athletics Canterbury Executive or the Track and Field Committee.
 - b) the Meeting Manager of the Athletic Championships meeting, or a representative appointed from, and by, those present at the pre-championships athletics meeting.
- 3 The criteria for selection will be -
 - (a) the winner is to be a student competing in the under 19 or Under 16 grades at the Canterbury Secondary Schools Athletic Championships,
or
a student competing in the Open Grade at the Canterbury Secondary School Athletic Championships provided the student is aged 15 or over
or
a relay team competing in the Open, under 19 or Under 16 grades at the Canterbury Secondary Schools Athletic Championships,
 - b) the winner is to have had an outstanding performance in an event at the championships, taking into account the total programme. (The performance may be record breaking or not.)

Junior Individual Awards

- 1 There are three Junior trophy awards.
- 2 The selection panel, as for the above, will select the winners.
- 3 The criteria for selection are as for the above, except that they are to be students competing in the Under 15 or Under 14 grades. Performances in Open events by age-qualified students will be considered. The winners may come from a track, field or relay event.

AWD Individual Awards

- 1 There is one trophy award.
- 2 The selection panel, as for the above, in consultation with Justin Muschamp, will select the winner.
- 3 The criteria for selection are as for the above, except that they are to be students competing in an AWD event. The winner may come from a track, field or relay event.

School Team Awards

- 1 There are team awards for schools in three categories: Boys schools, Girls schools, Co-educational schools.
- 2 Trophies will be awarded in each category.

SCHOOL SPORT CANTERBURY CHAMPIONS BADGES

These will be awarded to the winners of all Under 19 and under 19 Open individual events provided at least 5 individuals/teams compete

Trophies and awards will not be presented on the day of the Championships, but will be placed on the website, and email notification to schools as soon as possible after the event.

CANTERBURY SECONDARY SCHOOLS
ATHLETIC CHAMPIONSHIPS

Qualifying Procedures and Standards for Progression from Preliminaries Day to Finals Day

For Track: All progressions are based on times.

- 100 Metres 16 in each grade will proceed to the semi-finals on Saturday.
- 200 Metres; If more than 24 competitors compete in the heats then 16 in each grade will proceed to the semi-finals later in the prelims programme. If 24 or fewer compete in the heats then the fastest 8 times will qualify for the finals on Saturday. If semi- finals are held, the fastest 8 will qualify for the finals on Saturday
- 400 Metres the fastest 8 in each grade will proceed to the finals on Saturday.
4 x 100m Relays
- 800 Metres If prelims are held, 8 in each grade will proceed to the finals on Saturday.
- All Hurdles all hurdle events will be run as timed finals on Saturday

For Field: **High Jump:** Starting heights will be set and the bar will be moved up in 5cm increments until approximately 12 competitors remain.
From that point on, incremental heights will be 3cm until 8 competitors remain.

Discus If entry numbers in any grade exceed 25 then the following will apply:
All first round throws will be measured. At the end of the round a arc will be established equal to the 10th placed distance. For the following round only throws beyond this arc will be measured. The 8 best competitors will proceed to the final on Saturday,
NB If a competitor records a No Throw in round 1 their next valid performance will be measured regardless of distance.

All other field events: Each competitor will have three trials. The best eight competitors will proceed to the finals.

Finals Day: The following will be straight Finals on Saturday: 1500m, Under 16 and U19 grades 3000m, Steeplechases, Walks, 4x 400m relays, all Hurdles; Hammer Throws, Pole Vault..

High Jump: starting heights will be set by the Meeting Manager with regard to the performance at the Preliminaries.

Field Events each competitor will have six trials provided the number of competitors is 8 or less. If there are more than 8 competitors, all competitors will have three attempts, with the best 8 having three more attempts.

OFFICIALS REQUIRED INFORMATION

For the Preliminaries Day, we are almost totally dependent on teachers to act as officials. Although we are usually fortunate that Canterbury Centre provides many officials for the Finals Day, there is still a need for additional officials from schools to ensure that we have sufficient to successfully run the meeting.

Each school which enters athletes into these championships must provide two adult officials. Senior students are not acceptable for these responsibilities. This is a condition of entry and is not negotiable. Morning, tea and a light lunch will be provided for all officials.

All schools must provide **at least one official** on Tuesday. The second official may be provided for either Tuesday or Saturday. Schools may wish to nominate to officiate in specific areas of responsibility or expertise. It is expected that school responsibilities will remain (more or less) constant from year to year, and that this year's allocation will be based on previous years' responsibilities.

A School Officials required form is available on the Athletic information page of the website. This must be completed and returned by all schools intending to enter one or more athletes into these championships.

The following are "specialised" pre-allocated tasks and will be credited towards a school's responsibility:

Meeting Manager:	TBA		Tuesday & Saturday
Asst. Meeting Manager	John Gamblin		Tuesday & Saturday
Announcer:	Paul Norton		
Marshals:	TBA		
Host School Manager:	Host School	(STAC)	Tuesday & Saturday
Equipment Officer:	Host School	(STAC)	Tuesday & Saturday
Safety Officer: 1.	Host School	(STAC)	Tuesday & Saturday
2.	To be appointed		Tuesday & Saturday
Catering:	Host School	(STAC)	Tuesday & Saturday
I/C Hurdles:	Host School	(STAC)	Tuesday & Saturday

In addition, a team of six adults will be "recruited" to oversee relay changes on Tuesday.

Student assistance, which is also required to ensure the effective and safe management of the event, will be supplied by the host school

Flow Chart for Athletic Championships 2021

This event is the largest in the school sporting year, and requires close attention to detail **if the students in your school are not to be disadvantaged.**

Please note that the time process below will be adhered to and the timing of your own school athletic sports will **not** be a factor. If you intend using your sports as a selection mechanism for this event, you are strongly advised to hold them at least two weeks prior to the “preliminaries” day. If the weather intervenes and a postponement/cancellation of your event is necessary, any resulting difficulties in meeting time lines are yours.

Action	When	What	Who	Notes
Information package available on SSC website	Thursday 25 January	Flow Chart School Personnel/Officials Required Form Pre-lim order of events Draft Finals Day order of events Specifications form Qualifying procedures and progressions form Event and Record Information	Sports Director	Please read information carefully and return completed forms by the due date
On line entries open	Monday 22 Feb	Schools may enter athletes on-line at any time from this date through until 10am Thursday 11 th March. EDP password is required to access this entry system	Schools	Any athletes entered last year will already have their details stored in the system. This should speed the entry process for most. Athletes who have changed high schools in the Canterbury region since last year. may need to be advised to SSC. Please take care with spelling and birth-date entry. The system will enter your athletes into the correct grade based on the information that you in-put. Schools are encouraged to take a copy of entries made for their own reference. We will monitor entries during the 2 week period. On Thursday 11 March decisions will be made, based on the number of entries at that time, regarding events which will go straight through to finals. Schools will be advised of this before 1pm Friday 12 March. And through until 10am Monday 15 March Entries made after this time will be accepted only if they can be accommodated into the programme. Additions/deletions to the initial entries can be made at any time up until 10am Monday 15 March Make sure that all competitors will compete on Saturday if they qualify – do not enter the cricketers, the tennis players, the Volleyball players, the Touch players those who have to work, those who have to go to Church, they are simply preventing another student from participating on Saturday and should not be having a day off school under false pretences. The Sports Director may query the entry of students who have a history of “not showing after qualifying” from previous years.
On-line entries close	10am Thursday 11 th March	On-line entries will no longer be available	Sports Director	Entries received at this point will be used to create lane draws and programme for Tuesday
Decision made on events that will be straight finals	Thursday 11 th March	Sports Director will check number of entries in each event and advise schools which events will progress to finals on Saturday	Sports Director	Late entries will not be accepted into these events unless they do not alter the “straight to final status. The final time for advising schools of events straight to finals will be 10am Monday 15 th March
Results on web	Tuesday 16 th March	Results from Pre-lims will be posted on SSC Website and forwarded to	Sports Director	Team Managers/athletes should check these results to confirm who has qualified for finals on Saturday These should then form the basis of SISS nominations

		schools as soon after the meeting finishes as is possible		
Changes	Wednesday 17 to Friday 19 March	Advise Sports Director of any athletes not available to compete in finals (injury etc.)	Schools	Athletes not competing in finals after qualifying to do so must have genuine reasons for not competing, injury etc. Other sporting commitments are not an acceptable reason for not fronting on Saturday. These should have been known prior to the preliminaries
South Island Nominations	Thursday 18th March	Schools will be sent a print-out of finalists to be used as a nomination form for the South Island Championships	South Island Selector	Schools are advised to check with athletes prior to the finals on Saturday, to determine their availability for the South Island Championships to be held in Christchurch, Sat 27 & Sunday 28 March.
Finals Programme	Friday 19th March	The finals programme will be published on the SSC website on Friday morning 19 March. A printed copy of the programme, 1 per school, will also be available at the track on Saturday morning	Schools	Available from 10am
Finals Day	Saturday 20 March	Officials meeting 8.40am Advise any relay name changes South Island Nominations	Schools	This is not an opportunity for late entries. The only changes to the printed programme will be those for whom a place was offered during the Wednesday/ Thursday checking process. Named relay teams are required by 2pm Schools must have all nominations in to the control room SSC by the end of competition on finals day. Selections will be advised to schools by 10am on Tuesday 23 March.
South Islands	Saturday 27 & Sunday 28 March Nga Puna Wai, Christchurch	Schools will be advised of athletes selected to compete in these championships by 10am on Tuesday 23 March	South Island Selector	The regional 1 selection policy is the first 4 in a Canterbury automatically qualify, then the 5th place available is left open to selection. This will differ slightly for some Open events where the regional allocation is less than 5

The school is expected to read, understand, and follow all entry steps. Common errors made include getting the birthday wrong, students “adding” themselves to an event (DQ’d all events), competing in preliminaries days with no intention of participating on Finals day (entry not accepted next year)
