

Summer Social Series – Hagley Park

This is an exciting new opportunity targeting female participation and brought to you by Canterbury Cricket, Mainland Football, the Christchurch Netball Centre and School Sport Canterbury. We want our young wahine to enjoy being active this summer, and what better way to do this, than with a group of friends in a relaxed, social environment. Add some music and a sausage sizzle and it's the perfect recipe for a great Wednesday afternoon.

Each week there will be fast and fun variations of three sports on offer (Cricket, Football and Netball), and participants can choose which activity they want to do on the day. Students can sign up as a full team or with just a couple of mates and we'll make up teams on the day.

When: Every Wednesday 11 October – 15 November from 3.15pm – 4.30pm

Where: Hagley Park – Check in outside the Netball Centre

Who: Teams or Individuals – mixed ages and gender

Cost: Free

HEALTH & SAFETY:

As with all SSC programmes, schools are required to send a teacher or adult with their group, however, we will have staff and the sport providers there to supervise and support participants at each activity.

Schools are responsible for the health and safety of their students in transit to, from and at the venue. Schools must comply with the evacuation & risk management plan at the venue. All equipment must be safe to use. All surfaces must be in a safe condition for games.

For further details please refer to the Risk Management plans, available on the documents page of the SSC Website.
