

### **CRITERIA FOR FINANCIAL SUPPORT FUND APPROVAL**

**The following criteria will be considered when assessing funding applications received on behalf of Individual students:**

- There must be genuine financial hardship that would otherwise prevent the student from participating in the outlined competition or event.
- The student must be currently enrolled in a partner school.

**In addition to the above, any of the following must also apply:**

- The student has qualified or been selected to attend an event or tournament, (not only school events.)
- The student has been selected for a regional or national representative team.
- The student has been selected to attend 'additional training' for further development.
- To enable the student to purchase equipment to enable participation (Boots, Shoes, Stick, etc.)
- The student is in a team that has qualified for a higher-level tournament or event through performance at a local, regional or SI event.
- The student has been involved in multiple events during the year.

***The amount funded per application will be at the discretion of School Sport Canterbury***
