When teams sign up for A-grade water polo for 2024, they commit to two weekly games. Your team registration covers both your Tuesday or Thursday game as well as your Saturday game. This change is based on feedback received from schools. We are doing all we can to strengthen water polo in Canterbury, which will hopefully be noticeable at SISS and for those going to NZSS Nationals. If feasible, we encourage all A-grade teams to attend NZSS nationals in either A or B grade.

Entry priority will go to the A team at each school. The competition will consist of 6 competitive teams per gender; however, at board discretion, we may consider B teams for the A grade, at a cap of 8 teams.

## **Term One 2024 Secondary School Year 9&10**

### A NEW INITIATIVE!

Year 9&10 Boys and Girls will have weekly games at Christchurch Boys High from 4.30 on Wednesdays. These games aim to provide competitive weekly games for juniors, especially those new to high school, following on from their year 7&8 programme. This aims to bridge the gap between year 7&8 and Senior water polo as term 4 is a long way a way in the water polo calendar.

Due to pool width restrictions, **games will be played six a side, with five field players and a goalie.**
